**BRAMBLES 2006 ANNUAL GENERAL MEETINGS
TRADING UPDATE**

In the three months to the end of September, Brambles' sales and profits from the continuing businesses of CHEP and Recall were well ahead of the comparative period in the prior year.

CHEP had like for like sales growth of 6% in the three months to the end of September, led by CHEP Americas where sales were 10% higher. In CHEP Europe sales growth was 2%, with performance impacted by strong Reusable Plastic Container ("RPC") sales in the first quarter of the prior year. CHEP in the rest of the world saw sales growth of 9%.

Overall CHEP is expected to deliver another year of good performance in 2007, with continued operational improvements across the regions.

In the three months to the end of September Recall continued the improvements seen in the second half of 2006. Sales were 18% higher, including the benefit of the AUSDOC business acquired in December 2005.

The outlook for Brambles remains positive. Overall, we are continuing our disciplined focus on value creation, building on the momentum of recent years. In 2007, we expect further good progress in both CHEP and Recall together with solid cash generation for the group.

BRAMBLES AGREES TO SELL CLEANAWAY ASIA

Brambles has agreed to sell part of its Cleanaway Asia business, comprising the landfill gas to energy business in China and Taiwan and the recovered paper business, to Veolia Environmental Service China Limited, a part of the Veolia Group, for a purchase price of approximately US\$25 million in cash.

Veolia is a leading player in environmental services. With more than 270,000 employees Veolia has operations all around the world and provides tailored solutions to meet the needs of industrial and municipal customers in four complementary segments: water management, waste management, energy management and passenger transportation.

The sale is subject to customary conditions precedent and is expected to be completed during the first quarter of 2007.

Brambles has also agreed to sell the remaining part of its Cleanaway Asia business, being its 50% share in Taiwan landfills, to its joint venture partner, Kang Lien Enterprise Company Limited, for a total cash consideration of approximately US\$15 million. This sale is subject to customary conditions precedent and is expected to complete during November 2006.

The sale of Cleanaway Asia concludes the divestment programme that Brambles announced in November 2005.

**ANNOUNCEMENT OF US\$926 MILLION CASH ALTERNATIVE
AND ON-MARKET SHARE BUY-BACK IN BRAMBLES LIMITED**

Following completion of the tender process, Brambles announced today that, subject to receiving final approval from the Courts and regulators and unification of Brambles' dual-listed companies structure ("**Unification**") therefore proceeding, approximately US\$926 million in cash will be paid in respect of a total of 93,863,994 shares through the Cash Alternative provided in connection with the Unification. These shares represent 5.7% of the total current issued capital of the Brambles Group, and comprise 90,745,866 shares in Brambles Industries plc (BIP) and 3,118,128 shares in Brambles Industries Limited (BIL). The GBP Final Cash Alternative Price is 520 pence per share, equating to an AUD Final Cash Alternative Price of A\$12.8475 per share at the Nominated Exchange Rate.

Brambles Chairman, Mr Don Argus AO, said: "The Brambles Board today announced that it will utilise approximately US\$926 million via the Cash Alternative at 520 pence or A\$12.8475 per share, which is broadly equivalent to the current market price. This result represents a show of strong support from existing shareholders to continue their investment in Brambles Limited, given that the US\$2.2 billion maximum amount for the Cash Alternative was not fully utilised.

"In the twelve months following the announcement of the restructuring, Brambles will have utilised more than US\$1.8 billion via on-market buy-backs, special dividends and the Cash Alternative. The Board is committed to maintaining an appropriate capital structure for Brambles and has today announced that an ongoing on-market buy-back programme will be carried out in Brambles Limited following Unification, should appropriate opportunities arise. The Board may also consider other capital management opportunities.

"Subject to receiving final approval from the Courts and regulators, today's announcement represents the final milestone in Brambles' restructuring, which has been a great success for all shareholders.

"The Board looks forward to welcoming all continuing shareholders into Brambles Limited on completion of the Unification, as we enter an exciting period of sustainable growth."

On 13 September 2006, Brambles released an Information Memorandum in connection with the proposed Unification of BIL and BIP under a single Australian holding company – Brambles Limited - with a primary listing on the Australian Stock Exchange and a secondary listing on the London Stock Exchange. Meetings of the shareholders of BIP and BIL were held on 1 November and 9 November 2006 at which the Unification proposal was overwhelmingly approved. Implementation of the Unification process now requires only final approval from the Courts and regulators. Subject to that approval, the Unification is expected to be completed on 4 December 2006, with deferred settlement trading in Brambles Limited commencing on the Australian Stock Exchange on 27 November 2006, and on the London Stock Exchange on 24 November 2006.

Under the Cash Alternative, shareholders (other than ineligible overseas shareholders) were able to tender all or part of their BIL or BIP shareholding to Brambles Limited. If the Unification proceeds, shareholders whose tenders have been accepted will receive cash for the shares which are the subject of their tender under the BIL and BIP schemes of arrangement ("**Schemes**"), instead of receiving Brambles Limited shares.

Subject to receiving final approval from the Courts and regulators and Unification therefore proceeding, and on the terms of the Information Memorandum, the Cash Alternative Booklets and the Schemes:

- all GBP Tenders will be accepted at 520 pence per share; and
- all AUD Tenders at or below A\$12.8475, and all AUD Final Price Tenders, will be accepted at A\$12.8475 per share.

Tenders made at price points at or above A\$12.90 will not be accepted under the Cash Alternative. These shares are now available for shareholders to deal with at their discretion.

The Unification (and therefore the Cash Alternative) will only proceed if the Schemes are approved by the Courts and then become effective. Any indication that shares will be acquired or cancelled under the Schemes for cash or otherwise is provisional only and non-binding.

In the Information Memorandum, it was indicated that, to the extent that the Maximum Amount of the Cash Alternative (US\$2.2 billion) is not utilised, the Brambles Limited Board will consider other alternatives to implement a capital structure broadly similar to that which would have been achieved if the Maximum Amount of the Cash Alternative were utilised. Brambles Limited today announced that it would also conduct on-market share buy-backs following implementation of Unification, should appropriate opportunities arise. The Board may also consider other capital management opportunities.

Under the ongoing on-market buy-back programme announced today, Brambles Limited may purchase ordinary shares in Brambles Limited at any time after the implementation of Unification (currently scheduled for 4 December 2006) during the course of trading on the Australian Stock Exchange. Offers will be made in accordance with the ASX Listing Rules and Section 257B of the Corporations Act 2001.

If shareholders have any enquiries relating to their tenders, they should call the Brambles Unification Information Line on the following numbers:

- for BIL Shareholders – 1800 250 297 (toll free if calling from within Australia) or +61 2 8280 7610 (if calling from outside Australia); and
- for BIP Shareholders – 0800 028 2349 (toll free if calling from within the UK) or +44 1903 276 342 (if calling from outside the UK).

FIRB APPROVAL IN RELATION TO PROPOSED UNIFICATION

On 13 September 2006, Brambles announced that it had received Court approval to convene meetings of shareholders of Brambles Industries Limited ("**BIL**") and Brambles Industries plc ("**BIP**") to vote in each case on the proposed unification of BIL and BIP under a single Australian holding company – called Brambles Limited – with a primary listing on the Australian Stock Exchange ("**ASX**") and a secondary listing on the London Stock Exchange ("**LSE**"). The Information Memorandum was mailed to shareholders of both BIL and BIP and is also available on the Brambles website (www.brambles.com).

Brambles announced today that it has received confirmation from the Federal Treasurer of Australia that he has no objection to the unification, and that, on the basis of statements from the Board as to its intention, as detailed below, undertakings given by BIL to the Treasurer in 2001 at the time of the formation of Brambles' dual listed companies structure will terminate on the proposed unification. Accordingly, the condition precedent to the BIL and BIP schemes of arrangement relating to that approval has now been satisfied. All conditions precedent to the schemes have now been satisfied, other than certain conditions relating to approvals from the ASX and UK Listing Authority.

The undertakings given by BIL in 2001 included undertakings that the headquarters of BIL and the global headquarters of the dual listed group would be in Australia, and that both the Chief Executive Officer and Chief Financial Officer of the dual listed group would have their principal places of residence in Australia.

Although these undertakings will terminate on unification of the DLC, the current Board of Brambles Limited has informed the Foreign Investment Review Board ("**FIRB**") that it intends that the head office and global headquarters of the Brambles Group will be based in Australia, and Brambles Limited's Chief Executive Officer and Chief Financial Officer will have their principal places of residence in Australia. The Board has informed FIRB that, in expressing this intention, it has had regard to its statutory and fiduciary duties to shareholders, and that the Board's position on these issues may change in the future if the Brambles Limited Directors are required by those duties to do so.
